WILLY: I was driving along, you understand? And I was fine. I was even observing the scenery. You can imagine, me looking at scenery, on the road every week of my life! But it's so beautiful up there, Linda, the trees are so thick, and the sun is warm... I opened the windshield and just let the warm air bathe over me. And then all of a sudden I'm goin' off the road. ...I'm tellin' ya, I absolutely forgot I was driving. If I'd've gone the other way over the white line I might've killed somebody. So I went on again... and five minutes later I'm dreamin' again, and I nearly... again... (*presses two fingers against his eyes*) I have such thoughts, I have such strange thoughts. (*Rises, cross U*).
